Artists Wanted: Only Kids Need Apply

North Venice, FL – With the holidays less than five months away, it's time to start shopping for all your loved ones. Tervis Tumbler Company, manufacturer of premium insulated drinkware, is hosting an event on August 9th that may just be the answer to your shopping woes. At this event, children will be supplied with markers, pencils and wrap templates – all they will need in order to create their own personalized wrapped 10 oz JR-T tumbler.

A similar event was held earlier this year at G-Wiz in Sarasota and it met with unbelievable success. The kids who attended got to create their own unique designs to be wrapped around Tervis' ever-popular 16-ounce tumbler. The young artists had a blast and the parents got a keepsake that will last a lifetime. Now they will have the opportunity to create a wrap to be used in the new 10-ounce JR-T – the ideal size for petite hands, just like Grandma's, Aunt's, etc.

As with all Tervis Tumblers, the wrapped versions carry the lifetime guarantee, are freezer, microwave and dishwasher safe and will keep cold drinks colder and hot drinks hotter longer – a quality product for today, tomorrow and a lifetime.
