Tervis Tumbler Store Receives Beautification Award

Osprey, Florida – A familiar landmark on US 41 in Osprey, the Tervis Tumbler Store has attracted shoppers for decades. With a fresh coat of paint and new landscaping, the store has also attracted the attention of the Osprey Beautification Association. Last week, the Association recognized Tervis Tumbler with a special Beautification Award.

The award was presented to Carol Eriksson, regional store manager, by Jack Snyder, OBC treasurer. Among the non-profit association's goals are improving and maintaining Osprey's common areas, creating signage, and promoting the beautification of landscaping and exteriors for local businesses.

“We are so pleased to be recognized for our efforts,” says Eriksson. “Osprey is growing up, so we thought the time was ideal to give ourselves a little make-over. We always want our customers to enjoy the experience of coming to our store, just as they have since the 1960s.”
